Diary Dates

Staffing

We would like to welcome two new members of staff to our school. Mrs Miriam Anderson and Mrs Kirsti Kelly have both recently taken up positions as Special Educational Needs Classroom Assistants.

Nursery Unit

Our Nursery Unit will be moving to full-time places from the new school year. These sessions will be 4.5 hours, 9.15 a.m.—1.45 p.m. We are continuing to liaise with the EA to make the necessary adjustments and changes which this increase in hours requires.

PTA

Thank you to everyone who supported the Easter Eggstravaganza on Saturday 5th April. The event raised £460. This money will help the PTA as they continue to fund resources that our school budget would not otherwise allow us to provide.

Maths Week

During 7th—11th April we held our annual Maths Week. Throughout the week teachers focussed on making Maths more fun and practical. Activities were taken outdoors and incorporated into other subjects, including Art.

Drugs Awareness

Mr Chris Killen delivered a session on Drugs Awareness to our Year 7 pupils on Monday 31st March. This session focused on looking after our bodies and taking care of what we put into them.

Tag Rugby

KS2 pupils will have the opportunity to participate in Tag Rugby sessions with a coach from Omagh Accies during their PE sessions from 28th April. Four sessions will be delivered during Term 3.
